

Selendy Gay Signs Amicus Brief in Support of Perkins Coie

04/04/25

On April 4, 2025, Selendy Gay joined 500 of the nation’s leading law firms to sign an amicus brief in support of Perkins Coie and in opposition to the March 6, 2025 Executive Order that targets the firm.

The brief argues that the Executive Order, and others like it, violates constitutional amendments and “pose a grave threat to our system of constitutional governance and to the rule of law itself.” It urges the judiciary to act promptly to end this abuse of executive power.
