

## Moving a Fairness Mantra into Action: Faith Gay Talks Calling vs. Career in *Litigation Journal*

1/26/2023

Selendy Gay founding partner Faith Gay explores her career path and driving motivations in a piece for the American Bar Association's *Litigation Journal*. In "Moving a Fairness Mantra into Action," she identifies the pursuit of fairness, equality and justice as the call she's sought to answer in each chapter of her life in the law.

Faith details her childhood growing up in the South, early experiences in elite law firms, her years in the Criminal Division of the U.S. Attorney's Office, pursuing her passions outside the four corners of career, and their inevitable culmination in forming Selendy Gay.
